Guidance

Through the able assistance of Mr. N. G. Bryan, Mr. Lacy Fogleman, and Mrs. Ruby Mason, the students at W.H.S. were able to complete their year's work with success. All three assisted in planning each student's curriculum in order to better prepare the students for life. They especially helped the seniors in choosing a college or in planning a career.

Library

Our library is an integral part of the total school program. It serves as a material center for student research as well as a studying and reading center. Audiovisual materials and equipment are available through the library for teacher and student use.

Mrs. Truitt, aided by library assistants, keeps the library functioning smoothly and efficiently.

French–English

Spanish, French and Latin are the three foreign languages offered at Western. Through the use of the laboratory and audiovisual aids, students are able to gain a better understanding of these languages.

First year students concentrate mainly on vocabulary and pronunciation. In addition to vocabulary and pronunciation, the advanced classes put more stress on grammar and developing a better concept of these languages.

Each year the Spanish classes serve the Senior Civitans. The money acquired from this project is used to purchase additional equipment for the department.

The Ability To Communicate

After his first English class at W.H.S., each student realizes he is about to encounter a full course of grammar, composition, and literature.

This year the English classes enjoyed a presentation from a group of talented actors as they performed several readings written by Carl Sandburg. Several classes have acted out various plays such as, "The Diary of Anne Frank" and "Our Town."

The study of English grammar helps to unite the communication gap between man. The writings of Dickens, Chaucer, Shakespeare, and Sophocles are introduced to us as the world of literature becomes a path to understanding the cultures of other countries.

The math department begins by offering Algebra I and General Math to the freshmen, which they follow up with either Geometry, Algebra I, or General Math. The juniors may choose from Algebra II, Algebra I, and Consumer Math. Rounding out the math program, the seniors may take Algebra I, Algebra II, Consumer Math, or Geometry.

Deep unknowns prevail in the unusual world of science. Western High School students just begin to conquer the mysteries of life. They discover the dangers of lab, the excitement of learning, and the heartbreak of failure. The many laboratories that are used in all the field trips help to gain understanding of the world unknown to the naked eye.

Health and Physical Education can be fun. Can you picture the "Marshmallows" against the "Impossible" in a rugged basketball game?" Do you need those few extra "ounces" taken off? If so, visit "Western's" figure salon. Have you ever been playing soccer and instead of kicking the ball, kick a person?

What do you think about drugs, smoking, and alcohol? If you want to hear a heated discussion over them, listen in on a health class.

Art

Courses offered in "the busiest department" of the school include chorus, band, art and drama.

Busily preparing for another trip to Europe, is the chorus. In October, the band was invited to participate in the Southeastern Band Festival in Bristol, Tennessee. The art classes were blessed with the special talents of Mr. Clyde Fowler, Jr. It was through him and Mrs. Westafer, we were able to master the medians of ink, charcoal, pastels, and paint. Under the supervision of Mrs. Dorothy Westafer, the drama classes were able to produce two plays and further their knowledge of the theatrical world.

Social Studies Explores Humanities.

Man, do you want to go where the action is? Visit W.H.S.'s history department under the guidance of the amazing Mrs. Mary Lee Hutchins, assisted by the incredible Mr. Riddick and the unpredictable Mr. Lowe.

The action can be discovered in a fun-filled trip to historic Williamsburg by the U.S. History bugs. Other events in the glorious adventures of history include planning a blast for Washington, wandering through the wilds of Duke University and the psychedelic flickers of unusual, uncensored movies along with the discovery of numbered desks.

Vocational Department Offers

Learning new ideas and having new experiences is the main concern of the Vocational Department.

Cooking in Home Economics and Family Life proves that not just mothers can cook wonderful dishes.

Beautiful houses are going to be built when our Drafting students go out into the world. To accessorize these houses, excellent carpentry work will be done by our Cabinet Shop students.

Having learned about what Ben Franklin has already discovered, our Electronic students will explore the future computerized world.

Plentiful crops and good vegetables will be grown by the students of our Agriculturial Department. They have been practicing by planting flower gardens around the school.

From taking Introduction to Vocation, students won't have any trouble planning a future with all the knowledge of jobs they already have.

The money will be "pouring" into the pockets of our D.E. and I.C.T. students later on in life. With the things they learn in a half a day at school and then working the other half, how can they help but succeed?

Reading

Special Education

Special education is a new course offered at Western this year dealing mainly with students who have difficulty in the Language Arts area, specifically English, Math and Science. This course is designed to meet individual needs in reading improvement, basic principles of academic courses, as well as orientation to problems that arise in society.

Activities vary according to the individual's needs, but everyone spends time in the different reading labs, independent reading in job skills, books for enjoyment, and operating audio-visual equipment.

Reading Improvement

Reading improvement is not a totally new course at Western but this year it has been taken over by the E.S.E.A. Title I Program. This program is financed by the Federal Government and at present is in an experimental stage.

The program is designed to help those students who have not reached their grade level in reading and who have fallen behind. The program is strickly based on individual needs; therefore all the activities and work meet the needs of each individual person.

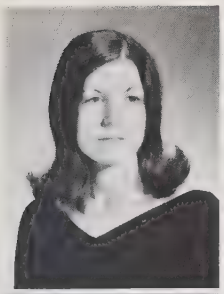
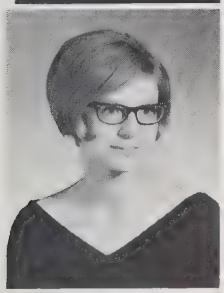
Four Eventful Years at W.H.S.!



Williamson, Janice Hope



Wiseman, Debbie Ann

Cantrell, Wade Dean

After four years, our high school journey has come to an end. We, as a class, have experienced the struggles and confrontations thrown upon us as growing men and women. Many unforgettable events will linger in our minds about our class of '70 – the Junior class trip, the Junior-Senior Prom we slaved on for hours to give it a look of distinction. As seniors, we display the leadership of Western as well as the leadership of the future of America. We are anxious to enter the adult world; yet, a bit frightened at the thought of "no more W.H.S." We are searching for a reason to be the kind of person expected of us. The questions, "Who am I?" "Where am I going?" rest in our minds as we leave the campus of W.H.S.

"Are they really cigars?" (Mr. Primm, Mr. Forbis, and Mrs. Sadler)

As Juniors, we unite to prepare ourselves for the challenges and problems we will encounter as Seniors next year.

We anticipate a successful and memorable prom with which to honor the class of '70. Our class trip to Williamsburg furthered our education of U. S. History and offered us an opportunity to closer acquaint ourselves as classmates.

In the spring, we pledge service clubs for the last time.

As a symbol of being Juniors, we receive our class rings which are worn with pride.

Pace For Freshmen!

"A doghouse for our enemy!"

"Brownbagging?" (L. Cummings and C. Guye)

Mrs. Moffett's classes are always full of excitement and . . . confusion?

We are no longer the "noise-makers cluttering the halls of B building" – we have gained status and recognition. By participating in Varsity and Jr. Varsity athletics, and pledging service clubs at Western, we are given an opportunity to develop our minds.

The changing world around us has opened up new ideas and beliefs about life. We find new experiences and adventures which help us discover our purpose for being in this world.

Now that she is ready to retire and travel or just relax with "Dr. John," we pay special tribute to her for the kind service and leadership she has devoted to Western High School. The Friends of the Library and the active library club stand as examples of her foresight. The carefully chosen books, magazines, art prints, film strips and audio-visuals made Western library outstanding throughout the state.

Her poise, talent and leadership are recognized throughout the area as she has given so much of herself to school, home, church, civic and community groups. To list all her attributes would take page after page.

We honor one who has touched the life of every student who has attended Western through teaching them to use books.

Cheerleaders Turn W.H.S.

Debbie Cobb, Senior, Head

Fay Bowman, Senior, Assistant Head

This year the W.H.S. Varsity Cheerleaders put out a genuine effort to uphold and turn on school spirit. Many hours of practice resulted in sore muscles and cramped legs, but the cheerleaders continued to pour on the pep! They decorated the school with colorful posters and presented delightful skits at pep rallies. Mrs. Betty Reynolds served as their advisor and supervised them at practice and ballgames. In addition to sponsoring the Homecoming Dance, they organized School Spirit Week to give the students an opportunity to tune in and turn on Warrior Power!

These cheerleaders consisting of Freshmen and Sophomores, were chosen by a panel of teachers in the early fall. They practiced long hours and received much experience to prepare themselves to become future Varsity Cheerleaders.

To serve the Varsity squad, these girls sold football programs and hung signs to promote school spirit.

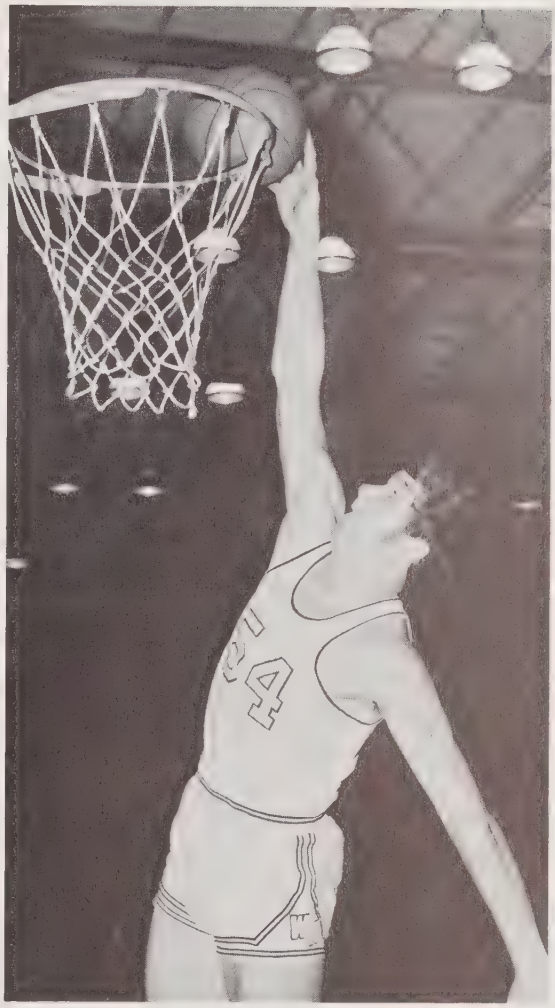
Warriors Exceed Expectations!

The center tip-off was just the beginning of the hustling and prowess shown by the Warriors. Long, rough practices resulted in a loss of many players, but the remaining eight men upheld that Western Power!

With no returning Varsity lettermen from last year, Coach Forbis drilled with an inexperienced team filled with the potential and eagerness to fight until the final buzzer sounded.

Terry Griswold, being the only senior remaining on the team, proved to be invaluable to the Warriors. Also, Ralph Gilliam and Ricky Joyce aided the team with sparks of determination.

Losing several key games in close-fought battles, the 1969–70 team stands in a tie for fourth place in the Mid-State 3-A Conference.



Senior T. Griswold proved to be a necessity to the Warrior team!

The Warriors look on with renewed enthusiasm as Coach Forbis gives tactics to victory.

Coach Garrison points out defensive plays as the "Little Warriors" battle against Ragsdale.

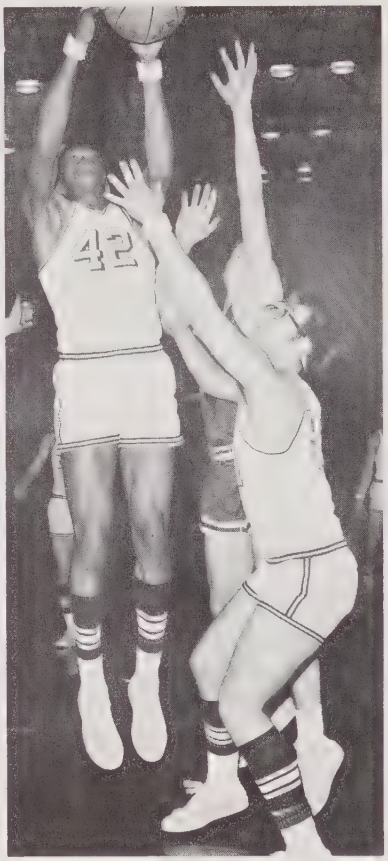
The "Baby Warriors" were successful in achieving a winning season. Several J.V. players were transferred up to the Varsity team before the season ended but the remaining players kept the winning spirit boosted high.

Coach John Garrison summed the team up as being well distributed with sharp shooting ability, board control, and the never tiring "get-up and go power"!

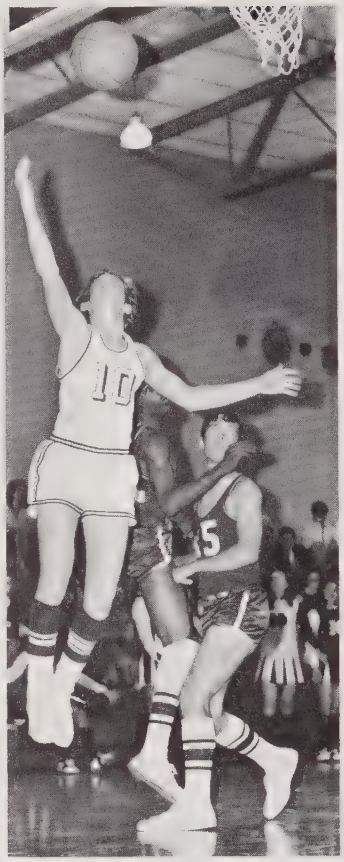
As the 1969–70 season ends, the "Baby Warriors" have chalked up every game with the exception of one loss. With first place set as their goal, the J.V.'s are a winner!

"J.V.'s Hustle To The Top!"

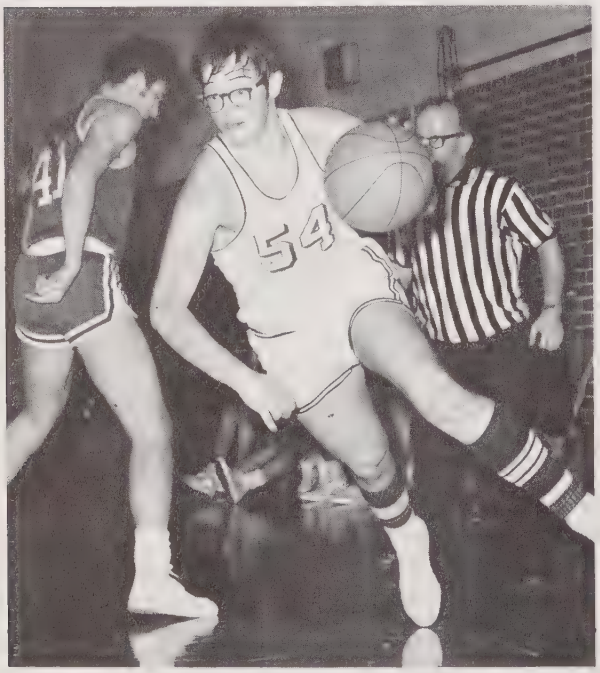
D. Sellars pulls down an offensive rebound and connects for two!



T. Moore shows his strength on the backboards as he reaches for the ball!



T. Sexton drives against Southern for two points!



S. Troxler whizzes by his guard to carry the ball up court for the Warriors!

Coach Garrison confers with his victorious J.V.'s!

Warriors Finish Third In Conference.

Built around extremely dedicated runners, strong armed shot putters, spring-legged jumpers and well-co-ordinated discs throwers, the W.H.S.'s undermen came on strong during the 1968–69 season.

Competing in their first meet of the season, the Warriors finished second with 47½ points. Concluding their regular season the Warriors finished in third place in the Alamance County meet. In the regular season, the Warriors finished with an over-all record of 6 wins and 2 losses.

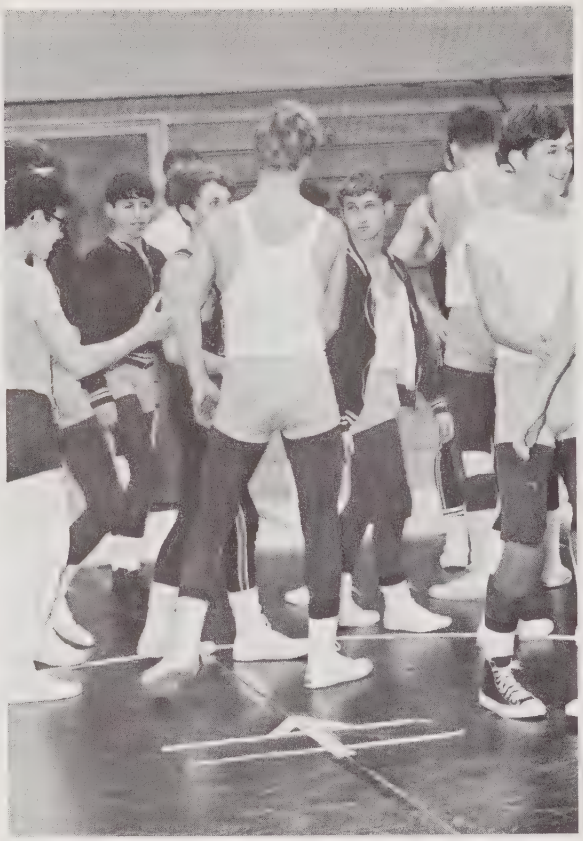
J. Wells and C. Ellington continued to break records as well as R. Everett, C. Parker, T. Collins, T. Bryant, R. Joyce, and E. Cheeks.

Throwing the disc requires much effort and hard practice as illustrated by R. Gilliam.

T. Griswold, one of Western's leading scorers, practices his shot put ability.

N. Danieley, a promising letterman, works out before an important meet.

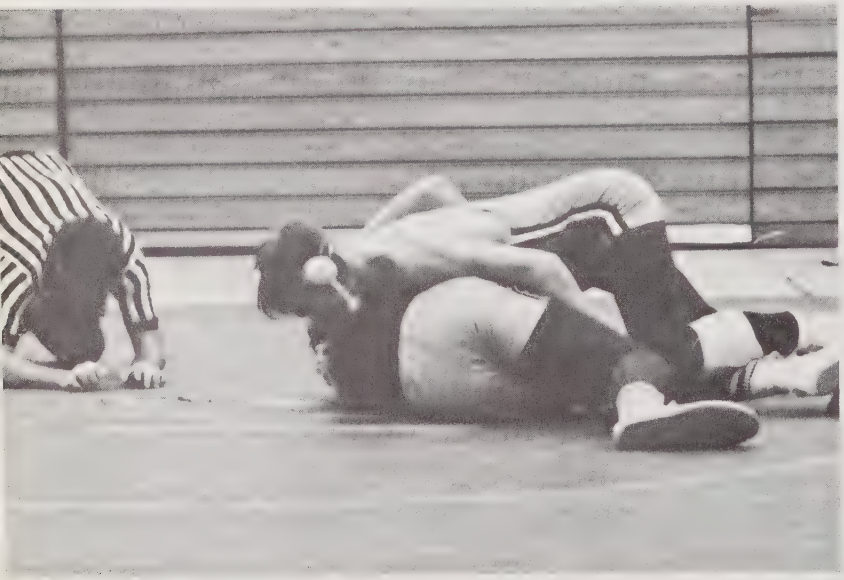
"Grapplers Of Wrath"



Wrestler B. Trollinger receives congratulations after a well-deserved win.

Along with the other sports at Western, the wrestling team had a good year. Their many weeks of conditioning and hard work seemed to pay off as we had four boys place in the Conference tournament. Ned Danieley placed third in the 178 lb. class. Next year we look forward to having Ned and Wayne Hawkins, who placed fourth in the 133 lb. class, spark the Warrior Grapplers. However, the Warriors regret losing Seniors, Tony Weatherford, who won fourth place in the 188 lb. class, and Bobby Trollinger, placing fourth in the 158 lb. class.

With the assistance and coaching of Coach Pete Jarvis, the Grapplers were a very good representation of the skill and ability of the students at Western.



The valuable talents displayed by N. Danieley . . .

later score him a victory!

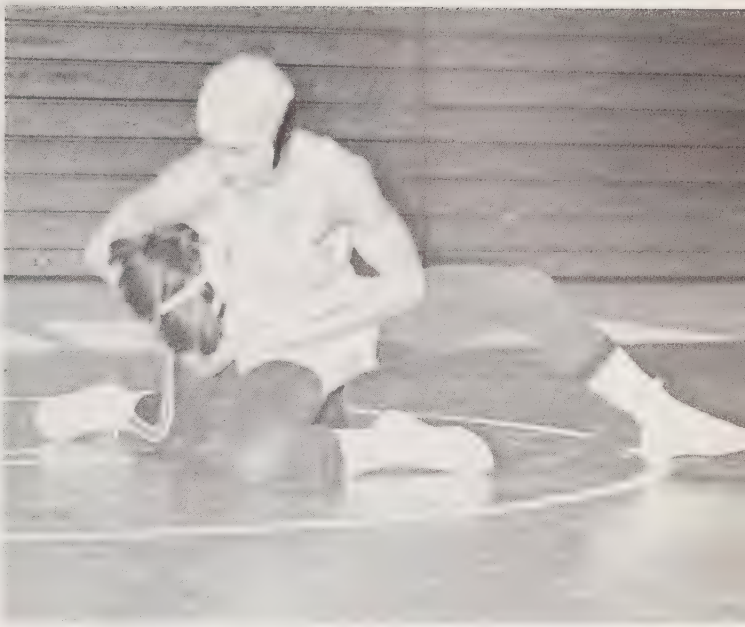
D. Butler and opponent shake hands as they prepare for a tough match.



The additional talents of R. Wolfe are evident as he tries hard to pin his opponent.

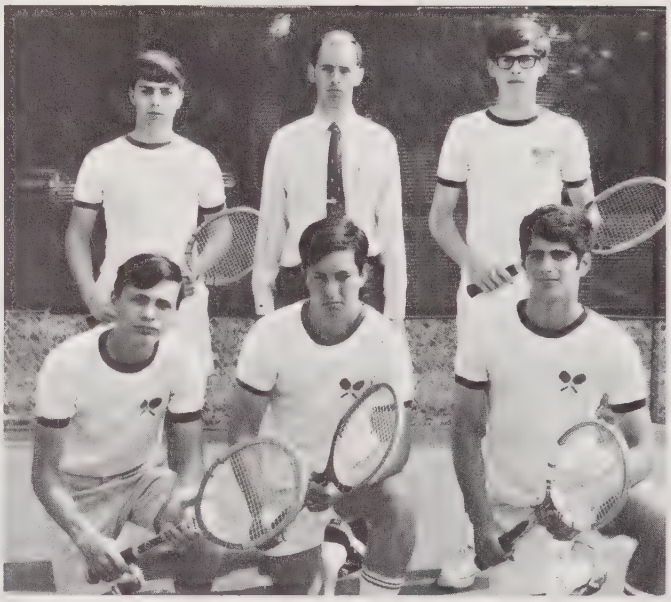
Tennis Team Strives To Win.

Coach David Thompson saw this as a rebuilding year for the Western Alamance Tennis team. Returning lettermen, Bryan Pennington, Mike Harrison and Jeff Brame, provided the nucleus for a team that accomplished a great deal through a combination of talent, hustle, and determination.

Long hours spent in practice aided the players in acquiring the fundamentals necessary to win their matches. Jeff Brame, playing in the number one spot, proved to be the best in the county.



KNEELING, Left to Right: M. Harrison, B. Pennington, E. Koury. STANDING: R. Moore, Coach Thompson, J. Brame.

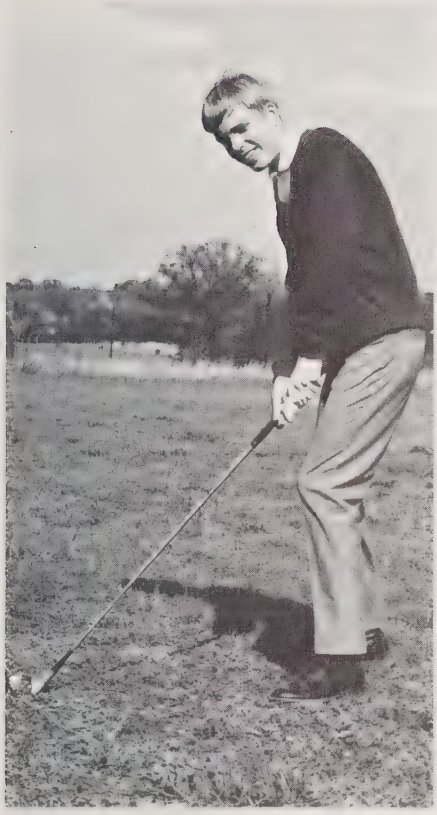
Able racketeer, R. Moore, shows polished skill as the warning Warriors battle Eastern in a singles match.

Put That Ball In The Hole!



S. Bryan prepares to tee off!

Mr. Forbis continued to play a vital role in the improvement and progress of the golf team. With his guidance, the team learned correctness in playing the game and courtesy toward fellow opponents.

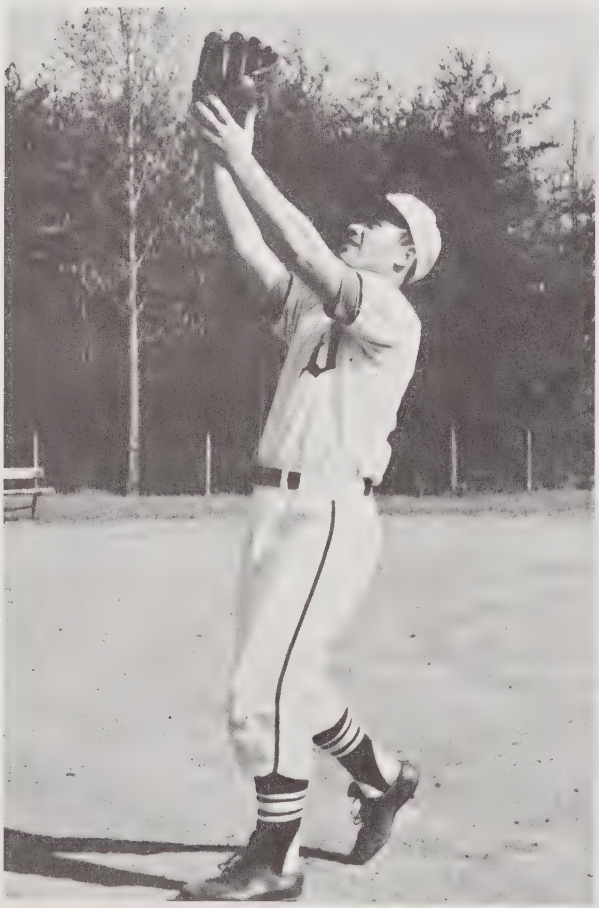
Bubby Bryan's devotion to the game and his untiring effort enabled him to walk away with the Most Valuable Golfer trophy.

R. Colwell exercises his Arnold Palmer style!

Left to Right: T. Simpson, R. Colwell, G. Dickerson, W. Hudson, W. Bowman, K. Overman, B. Bryan, S. Bryan, K. Hensley, J. Hines, D. White, D. Russell, and Coach Forbis.

W.H.S.'s Baseball Team

T. Turner hurls one across home plate!

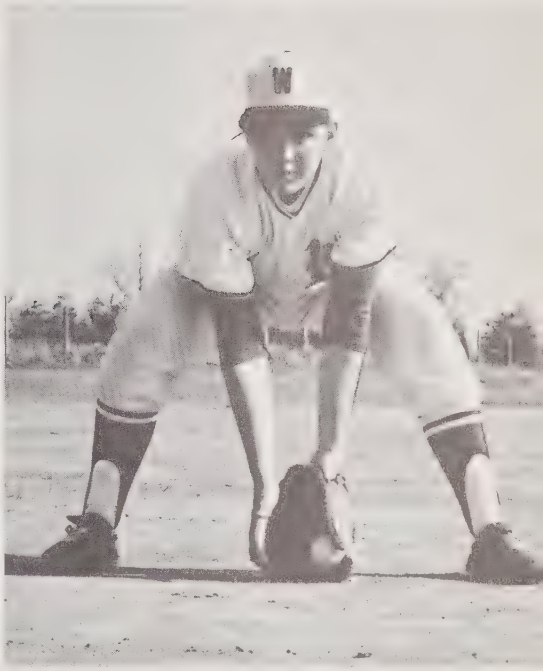


Western's most valuable pitcher, T. Turner.

In a genuine effort to rise to the top of the Mid-State 3-A Conference standing, the Western Warrior's baseball team fielded a potentially explosive nine. Led by co-captains, Steve Burge and Ken Morris, the team had an unusual combination of offensive and defensive stability. Coach Pete Jarvis led his team into early games with a look of confidence on his face. Many lettermen will return for the 1970 season ready to play ball!

"Socs It To 'Em"!

K. Gwynn quickly halts one runner.



K. Gwynn will return for the '70 season with much experience and determination.

A valuable asset to the team is junior, R. Massey.

Acknowledgements and Editor's Message

The 1969–70 school year has been a changing year full of successes and memorial events that will always be cherished by the students and faculty of Western High School.

The staff selected the theme, "Western and i" to present the relationship between **any** person attending W.H.S. and how the relationship is affected and combined with the changing world around him.

Many thanks and appreciation go to the following people, who with their time and co-operation have made this annual one to remember and be proud of. We thank you:

Mrs. Barbara Roark
Mr. Gordon Plumblee
Joseph Hutchins
Mr. Lewis Parrish
Harold Brammer
Other Staff Members

We have attempted to create our **own** thing in hopes the senior class will remember these compiled events of 1969–70 and the underclassmen will be led by them in their coming years at W.H.S.

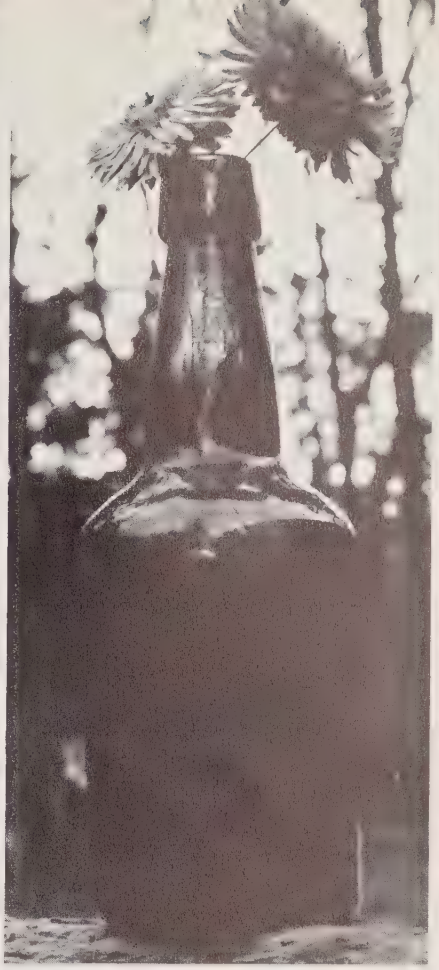
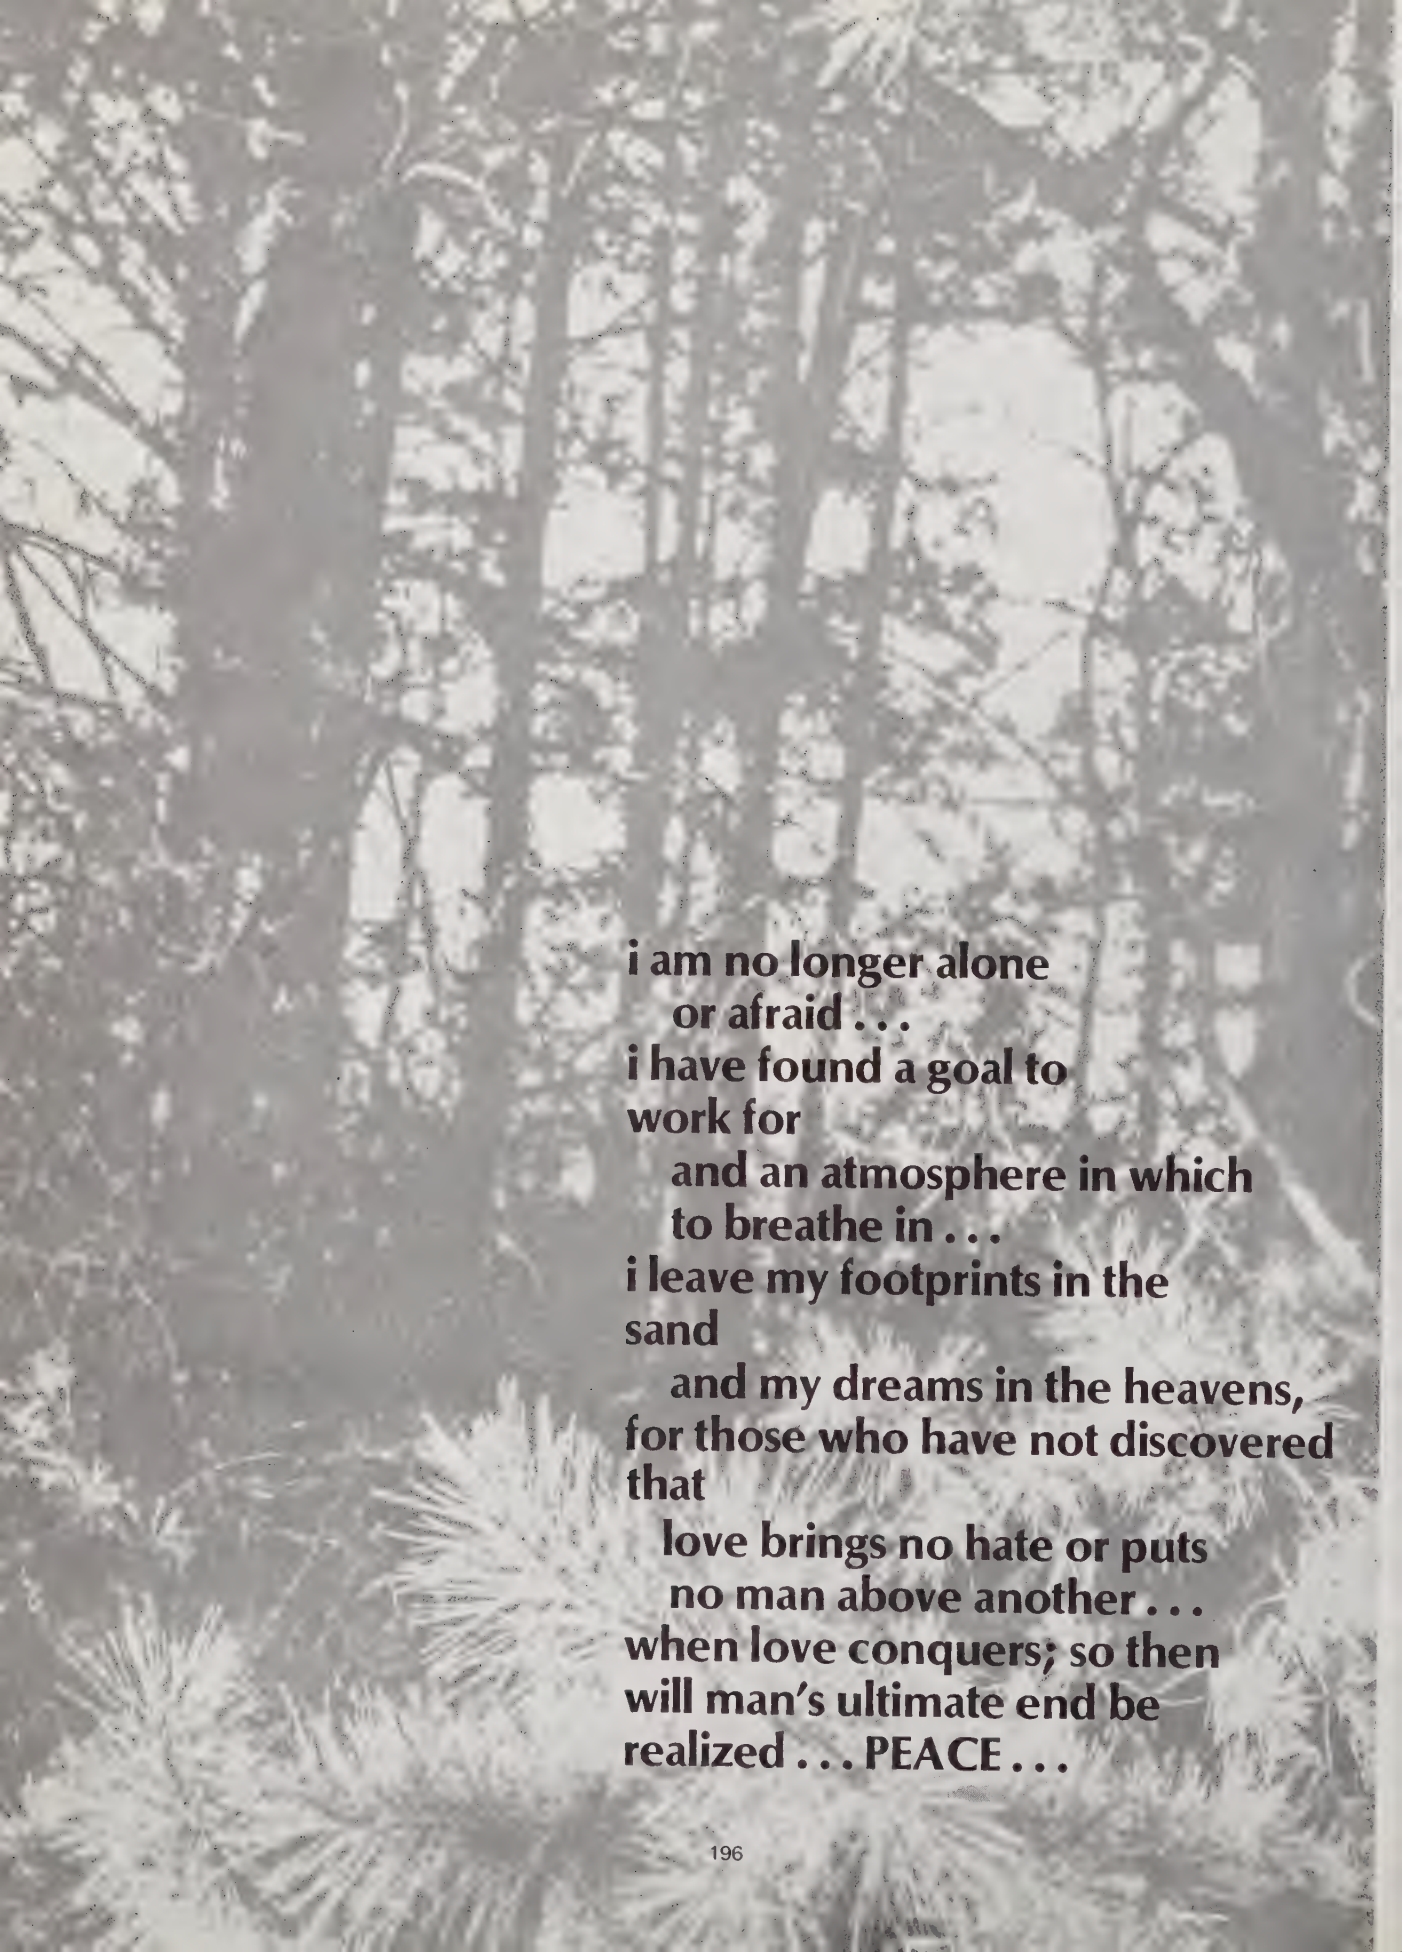
PEACE





i am no longer alone
or afraid . . .
i have found a goal to
work for
and an atmosphere in which
to breathe in . . .
i leave my footprints in the
sand
and my dreams in the heavens,
for those who have not discovered
that
love brings no hate or puts
no man above another . . .
when love conquers; so then
will man's ultimate end be
realized . . . PEACE . . .

Hi Patricia,

This year has almost ended and it has been a great one. I am so glad you've made such a success over here at Western, (Especially with Laurence.) It was fun having you in all of the classes (!). Well take care of yourself this summer and I'll be seeing ya.

A friend always,
Claire McPherson

Patricia,

Well another great year has ended as well as most good ones do. I've become even closer to you this year than I ever have before. I better see you this summer. Keep Laurence from all those girls. HA!

Be sweet and I'll see ya,

Love,
Susie

Dear Patricia,
you're a great person. Anyone married Patricia is. I've enjoyed being with you and keep the faith baby. Good luck with Lawrence

Love,
Patricia Wells

Erica,
Your a great girl and I'm glad that I have come to know you this year I think your one of the nicest freshman I know. I'm so glad we were in annual staff together! We really had alot of fun! Your really a sweet girl! I wish you all the luck in the world and I really believe you will go far at Western and in life! I'm hoping you wont forget all the good times we've had in annual staff and all the times at Gwinette and hope to have more times in the future

Be good!!

Love
Paula

Hey Sure ____
I've never known a freshman more considerate, understanding, or mature.
You're really great
I really believe you
So real fun.
Always be sweet and trust in God.

Love,

Erick,

It's
really been great
this year in Pre-Calc
We've remained terrific
time the Pre-Calc is beautiful
makes you proud doesn't it?
You're a real sweet girl & it's been
a pleasure knowing you. Be real good & wipe
I'll see you this summer! Take Care!
Good luck to you & AWRANCE.

~Love Ya,
Liz

God Bless!

Tricia,

It has been lots of fun getting to know you this year in Annual Staff ~~this~~ and Twirettes. You are a real cute + sweet girl that is lots of fun to be with. Stay that way + you'll surely go far in life. See ya this summer at meetings.

BE GOOD!

Luv,

Judy L.

PATRICIA:

I don't really know where to start there is so much to say. Just I would like to say it has been great getting to know you this year. You are a very sweet & nice (Ha! Ha!) good looking girl and I do truly love You. Before you came over to this school I was thinking I would never be able to find the kind of girl I would truly love. But it seem's like you were that kind of girl.

If you just know how much I did love you I don't think we would ever [illegible] but it seem's like you doubt my love for you. I just want to tell you I love you more than anybody and I hope that we can keep going to the end if there should ever be something to come between our love I just want you to know I really did enjoy going with you and I hope that you really loved me.

I want to say I just feel that I was lucky enough to get acquainted you in the way that we did into [illegible]

I know sometimes we get mad at each other but if we didn't let off steam once and a while we might get tired of each other. I also enjoyed getting to know your friends. I know I treated Erma real mean sometimes but I don't mean to. I really do think she is a very sweet girl. Well I don't know of much more to say but to tell you I Love You.

I love you

Lawrence

I hope that we can have many more happy years together.

(P.S. I left money to get home, but if you need more, let me know.)

Patricia: (Honey),

I am setting here thinking what I can say to you. First I want to tell you I love you for want you are and not for want you were like before you came over to Western or for want you can be at Western but because I love you for being just you.

I want to tell you that I was lucky for meeting a girl like you not because you are real goodlooking, or sexy but because you are very, very, cute and sometimes very sexy and really a very nice girl that I love, I love you very, very, much and I hope I always will and I hope some day we can get married.

I just want to say before I close that I know that I have not been able to take you (next pa

I just hope you will for-
give me for making you
get home so many times
and I hope I can get
a car this summer and
I just want to tell you
I am truly sorry and I
will make it up to you.
Well that about all
I got to say but to tell
y... you more
